

COMPLIANCE WEEKLY

A Publication of Seward & Kissel Regulatory Compliance

OCTOBER 22, 2024

SKRC Compliance Weekly is a weekly reminder of certain regulatory obligations that may apply to an SEC-registered investment adviser and CFTC-registered commodity pool operator and commodity trading advisor with a December 31 fiscal year-end that advises one or more private funds.

Obligation	Comment
TIC Form SLT (due 10/23/2024).	Must be filed by "US residents" on a monthly basis to report "long term cross border ownership" of securities in excess of \$1 billion. Data on the TIC Form SLT must be reported as of the last business day of the immediately preceding month (as-of date). The TIC Form SLT must be submitted to the Federal Reserve Bank no later than the 23rd calendar day of the month following the report as-of date. If the due date of the report falls on a weekend or holiday, TIC Form SLT should be submitted the following business day.
Quarterly Transaction Reports (due 10/30/2024).	Advisers Act Rule 204A-1 requires "access persons" of a registered adviser to submit a transaction report to the chief compliance officer covering all transactions during the previous quarter no later than 30 days after the end of each calendar quarter.
Periodic Report for CPOs (due 10/30/2024).	CPOs are required to distribute a periodic report of their account statements within 30 calendar days of each month end. Note, however, that CPOs relying on an exemption under CFTC Rule 4.7 or Rule 4.12(b) are only required to distribute a periodic report of their account statements within 30 days of each quarter end.
